The Riverside School Board Excess list will be out shortly.

**IMPORTANT  
DATES TO  
REMEMBER**

**HERE ARE IMPORTANT DATES TO REMEMBER!!!**

**BEFORE APRIL 30<sup>TH</sup>:** The administration identifies its needs in terms of teacher staff, and if there is a surplus, attempts to reassign these teachers within the school, according to their seniority, category and sub-category. If there are still excess teachers, the school notifies these teachers in writing, that they could be transferred to another school. In each school, the Board posts the list of vacant positions in its other schools. Within the next 5 working days, the excess teachers must inform their school administration, in writing, of their choice of position based on the posted seniority list by filling out the appropriate form Appendix F (5-21.16) available at all schools.

Note: This is also the best time for teachers seeking a voluntary transfer to apply using the same Appendix F form. Voluntary transfers are dealt with at the same time and may create a vacancy that will not be on the list of vacancies. **Teachers should**

**BEFORE MAY 13<sup>TH</sup>:** The Board assigns excess teachers to available positions according to seniority and category.

**BEFORE JUNE 1<sup>ST</sup>:** The Board gives written notice to the teachers who have been transferred to another school.

Teachers with permanency and not reassigned are placed on surplus

Teachers without permanency who cannot be reassigned are non-reengaged.

## SPECIAL NEEDS ALLOCATION 2014-2015

### SPECIAL NEEDS ALLOCATION 2014-2015

I have been meeting with Chantale Scroggins and our School teams over the past several weeks, and we are evaluating all the needs for next year. As you know, there have been budget cuts, which will continue for next year. We will try to allocate as much as we can to meet as many needs as possible.
