The cold weather is still with us, so be careful of the ice. If an incident should occur, report it and see your doctor. CSST will not retain your case if you don't see your doctor in a timely manner

After our last meeting, we were told the funds were low. So, to make it fair for all teachers, if you applied for a conference or workshop and did not attend, please take 2 minutes to let Human Resources know, as to unlock more funds for your colleagues to attend late year conferences.

As well, McGill University still has some Distinguished Seminars for April and May.

**PROGRESSIVE
RETIREMENT**

PROGRESSIVE RETIREMENT

Requests to begin progressive retirement should be submitted by April 1st, which is just around the corner. If you are thinking of retiring this year, please let Human Resources know as soon as possible, as this can affect staffing. It can be kept confidential.

TRANSFERS

TRANSFERS

Can teachers change schools?

- 1) By submitting a voluntary request to the Director of Human Resources, requests can be submitted at any time, but preferable before April 30th.
- 2) By temporarily trading assignments with another teacher, providing consent has been obtained from the respective school administrators and Human Resources. Two teachers can trade places for a one year period, after which they return to their own schools. These requests should be submitted after June 1st.

**SPLIT
CLASSES**

SPLIT CLASSES

There is \$525.00 to spend for each split-class. The money has been transferred to your school this year to make it easier to manage.

The School Board has made the payments and if there are any problems, see your administration, then, contact our offices for further investigation.
